

2023 Kettle Hills Wednesday Junior Golf Series

7-Week Junior Golf & Clinic Series with End of Season Scramble Tournament

Dates: 6/21, 6/28, 7/12, 7/26, 8/2, 8/9, 8/16 (Tournament 8/23)

Our featured program consists of a combination of golf clinics and actual on-course play. The 7-week program has several divisions based on the child's age, ambition for the game, and physical capabilities. The purpose of this program is to teach juniors the fundamentals (basic rules, grip, stance, alignment, balance, short game and full swing) of golf in a 25-30 minute, clinic style format each week followed by golf with their peers. The 7th week (last day) will feature a 9-hole team scramble against other groups in their division. Teams will be made by the juniors themselves.

Please note, this series is not individual lessons. It is designed to cover a different portion of the game each week (rules & etiquette, grip, stance, putting, chipping, woods, etc.), appeal to a large range of abilities within each division and provide a platform for juniors to enjoy a day at the course with their peers. If you are looking for more detailed instruction, please look at our **GOLF CAMP options.*
